

2021 Campership Application

The Camp Ojibwa Campership Fund was created in 2021. The Fund provides tuition assistance to families who would not otherwise be able to afford full tuition for their son. Contributions to the Fund come from camp families, alumni, individuals, foundations, and anyone else who believes in the mission of summer camp and Camp Ojibwa.

Camperships are awarded based on financial need and as such, we ask that all applicants do their best to truly assess their ability to contribute to camp tuition. The mission of our campership program is to enable campers to attend whose families have no other means of sending their child to camp. If you have support from other family members or friends who are willing to contribute to your child's tuition, please consider that when completing your application.

Helpful guidelines:

- Camperships are available for any session, but not for Post Camp.
- A limited number of full Camperships are available each summer. Partial Camperships are also granted.
- Camperships are awarded year-by-year, but families may apply in multiple years.

If your child receives a Campership, we would very much appreciate hearing from you, or your child, about their experience at Camp. A note, letter, or email recounting their favorite activities, adventures, or memorable moments can be a tremendous help with future fundraising efforts.

A child's summer camp experience includes new friendships, wonder, fun, challenges, and personal growth. We hear all the time from kids that "Camp is the one place I can really be myself," "Camp is like my home away from home," or "I live 10 for 2." There is no better feeling than making that experience a reality, so we look forward to reviewing your Campership Application.
